## **BAROLO DOCG PREDA SARMASSA "LIMITED EDITION 10 YEARS" VIRNA BORGOGNO 2006**

This wine is made from grapes grown on two famous vineyards, both in the commune of Barolo: Sarmassa and Preda.

Combining grapes from these two vineyards produces a well-balanced, harmonious wine packed with the fresher, more elegant aromas of Sarmassa and the power of the body and structure provided by Preda.

*"Limited Edition 10 Years"*

Very deep ruby-red; still rather fresh nose, with hints of red berries steeped in delicate vanilla; dry, full taste, packed with body and structure combined with polyphenolic compounds that cater for lengthy ageing.
