CABERNET FRANC - ROSSO VERONA DOC - TENUTA LA CA'

Manual harvesting in boxes, selection of bunches first and then berries, destemming, integral fermentation of whole berries in French oak barrels.

Post fermentation maceration for 36 days, pressing with a press and ageing in French oak barrels of first passage 16 months.

An elegant wine, important for its complexity but easy to drink thanks to its already very silky and well integrated tannin. Red fruits and herbaceous scents on the nose precede a fruity, spicy and again herbaceous palate. The finish is long and mineral
