

## CLOT D'ENCÍS TINTO - SANT JOSEP

Cherry red color with violet tones. Very fruity and varietal, with subtle notes of Mediterranean undergrowth.

The palate is broad, balanced, silky and slightly persistent. Serve fresh (14°C).

*Fruity and full-bodied red wine that expresses a perfect balance between the virtues that characterize Mediterranean red wines. Garnacha and Cariñena production comes from vines 20 years of age or older, traditionally cultivated and harvested manually.*
