

CÔTES DE BOURG ROUGE - CHÂTEAU GROS MOULIN

As strong advocates of sustainable agriculture, they tailor their practices to the specific climatic conditions each year.

The "Château Gros Moulin," their traditional vin de garde, embodies the various climatic influences on vine products.

Rather than attempting to replicate the same wine every year, they focus on preserving a true typicity.

The Gros Moulin strikes a delightful balance between sweet fruit flavors and a meaty, spicy core.

With 40% Malbec in the blend, it is an excellent choice for those who appreciate Argentine wines.
