ENCOMIENDA DE LA VEGA DIVINA PROPORCIÓN

Garnet red with a youthful clean purple trim. Medium-high medium intensity. Notes of almost candied black and red fruit, hints of coconut, spices and mild balsamic and empyreumatic (roasted) notes. In the mouth it is dry, with adequate acidity, good constitution, tasty, with a slight roughness (the tannicity of the barrel and the fruit is noted), which should improve in the bottle and a somewhat drying finish due to the action of the wood but fruity and spicy. Good persistence.

From Tinta de Toro vines of at least 20 years, it has been in French and American oak barrels for six months to achieve greater longevity without losing freshness and joy.
