

LAGREIN - VERONA ROSSO DOC - TENUTA LA CA'

Manual harvesting in boxes, selection of bunches first and then berries, destemming, integral fermentation of whole grapes and about 15% of whole bunches in steel vats. Pressing with a press.

Aging in first passage oak tonneau for 12 months, second aging of the entire mass in French oak barrels for 8 months.

Violet, blackberry, tobacco and spices invade the nose, followed by a broad but not opulent palate with a cocoa finish. A persistent sip, with strong but not aggressive tannins and an acidic and savory finish.
