

PRELIT ROSSO - IGT VENEZIA GIULIA - DAMIJAN PODVERSIĆ

Organoleptic description:

Translated Poured is a mixture of two characters: Merlot and Cabernet Sauvignon. Merlot's fruity notes gets accompanied with the elegant tannin of Cabernet Sauvignon, which confers to the wine the important structure and a smooth final.

Vinification:

The maceration begins in big barrels of oak for 40 days. Finished the fermentation it gets aged in 20 or 30 hl barrels for 3 years and rest for 1 year in the bottles.

The presence of sediments is essential to keep the wine alive and to conserve it.

We recommend to serve the wine with service temperature at 15°C (59°F).

Producer	Damijan Podversic
