

TEMPRANILLO RESERVA - CLOS - BODEGAS MONTEBUENA - RIOJA

Color: A very intense and deep core of dark cherry with a pink edge. Bright and clean.

Nose: Complex, with good intensity. Against a background of ripe fruit, notes of cocoa, wild berries, smoke and liquor are noted. As it stays in the glass, minerals and balsamics begin to emerge. The wood is well integrated and gives way to the unique characteristics of the wine after aeration, acquiring intensity, but maintaining harmony with all its aromas.

Mouth: Full of flavor in attack with a base of wild ripe berries is the main sensation, similar to a mixture of jam, sweets and marinated plums. Light, velvety, with a licorice finish.
