VALPOLICELLA CLASSICO VENTURINI

Valpolicella is a great red wine that comes from grapes originating in the Veronese Prealps:

Corvina, Rondinella, Molinara.

It has a beautiful ruby color, pleasantly fruity perfumes very typical of the varieties used, immediate flavor

and well balanced in its components.

The rather traditional style wine can be considered throughout the meal, by virtue of the easy drinking and of the medium structured body

Producer	Venturini
