

INSÓLIT ROSAT - MICRO VINIFICACION - BODEGA PLANA D'EN JAN

Plana d'en Jan was established in 2017 in the deep heart of Penedès (DO) by the talented winemaker Joan Marrugat. He is also a great grape grower who, throughout his life, has produced good-quality grapes for the most selected wineries in Penedès. His great desire was to vinify the plots of his best by his own hands by transforming the most excellent grapes into particular Micro Vinification. Joan created this perfect micro vinification wine with his own

hands and with a lot of love so that when you drink his wines, you can feel his passion for his work and enjoy it as much as he does. This is why each wine in Plana d'en Jan is unique; there are no more than 10.000 individual numbered bottles each year divided into 11 different wines.
