CUVÉE MYSTÈRE LA M1 - 1.15 - F/C - MAISON HUGUENOT TASSIN

This exceptional, limited edition cuvée offers a fun way to develop your tasting skills! Whether you're an amateur or a beginner, this sensory experience allows you to discover or rediscover the many facets of champagne.

Territory:

The vineyards span 6 hectares and are located in the Côte des Bar region, characterized by clay and limestone soils.

Winemaking:

There is no technical data sheet for this mysterious M1 cuvee; you'll have to guess it during the tasting!

Tasting Notes:

Tasting should always be a pleasure. Regardless of a wine's price or perceived quality, everyone has their own preferences, and learning to understand them is essential. Participate in the Mystery Cuvée game to sharpen your senses and enhance your tasting knowledge.

It's a fantastic game to enjoy with friends during your aperitifs!

Tasting is a shared experience, and your environment significantly influences your senses.
