

CLOT D'ENCÍS BLANCO DE TINTOS - SANT JOSEP

Pale color with steely nuances. Very fruity, with notes of white fruit, citrus and stone fruits, and even red fruits like cherry and pomegranate. The palate is very dry and full-bodied, although it is fresh and balanced.

It has been obtained exclusively from selected vineyards of the majority variety of the property, Garnacha. The harvest is selected and harvested by hand. It is made from the flower must, obtained without pressure and avoiding contact with the skin of the grape berries.
