LA MISIÓN PRE-PHYLLOXERA ORGANIC MENADE

Colour: Predominance of yellow, bathed with golden reflections.

Aroma: Immediate presence of minerals, smoked and ripe fruits. Unforgettable herbaceous currents - thyme, bay leaf and fennel.

Taste: Complex, fatty, enriching with lots of volume with a long and fresh aftertaste.

Elegance, personality, finesse and typicity go through the finish of this wine.

Pre-phylloxera vineyards with ages between 120 and 140 years old, planted in sandy soils and from 18 plots located in different areas of our region.
