

**RIBOLLA GIALLA (REBULA) - SLOVENSKA
BRDA - VALTER SIRK**

High expression of a native vine

Vinification: Soft pressing, fermentation in stainless steel 100%, hardly batonage, macro filtration.

Filling: 16 months after the harvest

Number of bottles: about 7000 Refinement: for two months in bottle

Notes: freshness, great minerality, stand the three harvests made to characterize different phases (normal to the base, advanced to the acidity and delayed for perfume).
