

SAUVIGNON - SLOVENSKA BRDA - VALTER SIRK

Vinification: cold maceration and three different clones are vinified separately to be assembled later, very ripe grapes, macro filtration.

Filling: 15 months after the harvest

Number of bottles: about 1500

bottles Refinement: for two months in bottle

Tasting notes: freshness, great minerality, only used French clones, hints of green pepper, tomato peel, a sauvignon that combines elegance and a very powerful smell / taste
