## **VIURA - BLANCO - BODEGA MONTEBUENA - RIOJA**

**Color:** Straw yellow body, translucent with grayish tones on the edge.

**Nose:** Protagonism of the fruit aromas of apple and ripe banana, with notes of citrus in the background.

**Palate:** The first impression is freshness and intensity, although the acidity gradually softens as the wine passes through the mouth and gives way to a mixture of sweetness with a slightly bitter note and a silky touch that balances the first sensation.
